

PENICUIK MEDICAL PRACTICE

PRACTICE FEES

Our contract with the NHS covers the provision of sickness certificates for people who are employed/unemployed. Most other certificates and forms are not covered by the NHS. We provide these as a private service and charge at a cost which reflects the time taken and our costs in employing staff and nurses and our expenses running the Health Centre. Please check the fee payable and if you aren't sure what the fee may be, please ask a member of staff. We have given a range of fees as the time and complexity of individual situations vary. If we need to charge more than the figures listed here, we will let you know in advance.
